International Acceptance Payment

Please note, if you are an international student and intend to study full time at a ULaw Campus, upon acceptance of your place on your course you will need to make a payment of £6,000. This is referred to as the "International Acceptance Payment" and will count towards your Annual Tuition Fee. Only upon receipt of payment will your acceptance onto a course be confirmed by ULaw.

Student Route Visa

If you are an international student who requires a Student Route Visa to study within the UK, you must have been issued with a Confirmation of Acceptance of Studies (a "CAS") before you can apply for your Student Route Visa. Before the University can assess your eligibility for Student Route Visa sponsorship, you must make a pre-payment of £6,000 towards your course fees.

Please note that you are not required to pay both this pre-payment and an International Acceptance Payment. If you have paid the International Acceptance Payment, you will not be required to make this pre-payment. Once you have paid the £6,000 either as a pre-payment or the International Acceptance Payment, international students will then be asked to pay the remaining balance of the Annual Tuition Fee over a maximum of three instalments, as set out in the Postgraduate Instalment Options Schedule.

Please note, students undertaking supported online learning courses do not require a Student Route Visa but may (depending on nationality) require another type of visa to attend induction, study on weekends or undertake assessments. If you are unsure whether you require a visa, you should contact our International Student Advice team at visaadvice@law.ac.uk for further guidance.
