

# VALUE FOR MONEY: HOW THE UNIVERSITY OF LAW SPENDS YOUR TUITION FEE

**The University of Law offers a high standard educational experience** in a nurturing and supportive student led environment.

**The University strives to provide value for money** by continually committing to investing in and enhancing the student experience.

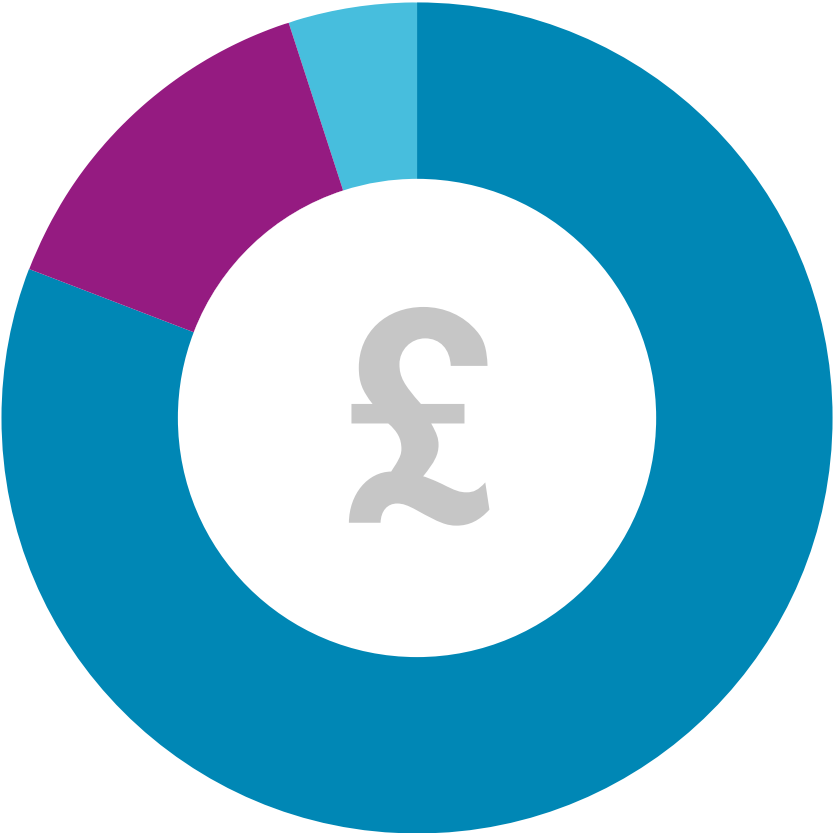

**The University believes in transparency with regards to our income streams** as well as how this income is spent to ensure an outstanding academic and support experience for all students.

**The quality of the teaching staff, the course delivery, support and welfare services are key priority areas** where we continue to invest money for the exclusive benefit of our students.

# WHERE DOES OUR INCOME COME FROM?

The majority of our income comes from postgraduate course fees, followed by income from undergraduate course fees.

**80%**  
Postgraduate  
course fee income

**16%**  
Undergraduate  
course fee income

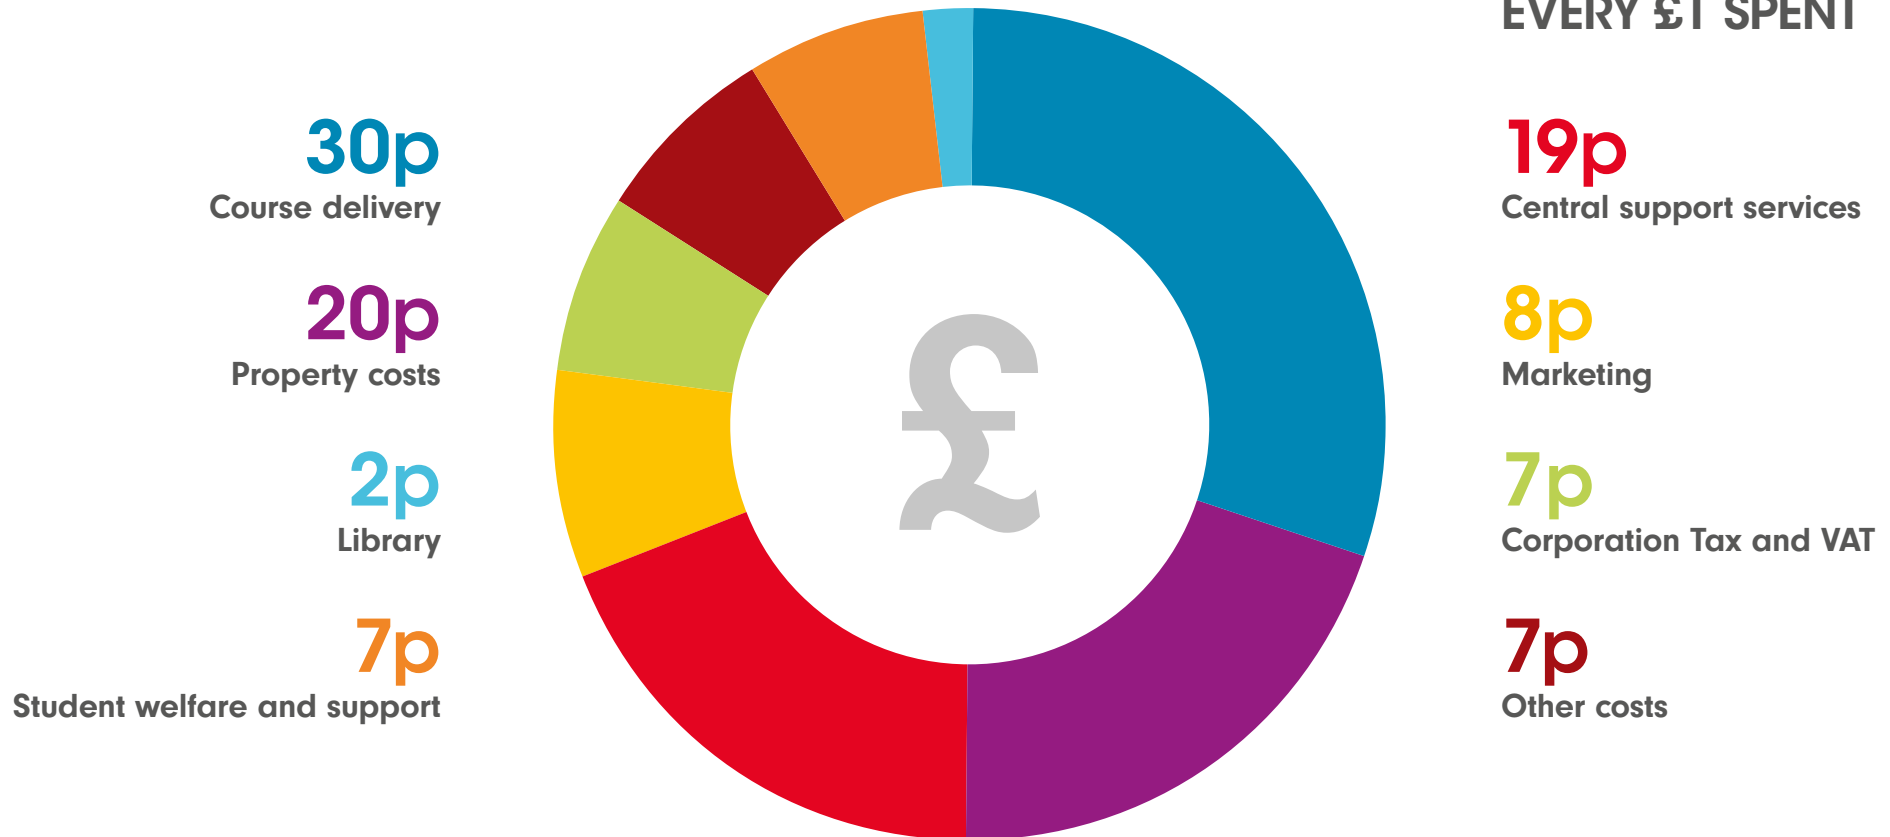

**4%**  
Other income  
(Incl. 0.6% Grant Income)

Data from financial year to 30 November 2020.

# WHAT DO WE SPEND MONEY ON?

The University is transparent in how we use your course fees. We prioritise expenditure in the following areas to provide the best experience for our students.

## EXPENDITURE BY ACTIVITY FOR EVERY £1 SPENT

Data from financial year to 30 November 2020.

# OUTCOMES OF OUR INVESTMENT ARE EVIDENCED BY:

## INVESTMENT IN THE STUDENT EXPERIENCE

- The university has achieved **top ten placements** among universities in the UK for **10 categories in the National Student Survey 2020**
- **91%\*** of our Undergraduate students were satisfied with the quality of the course (2019/20)

## FOCUS ON OUTCOMES

- **94% of postgraduate students in employment were in Highly Skilled Occupations 15 months after graduating** (2018/19 Graduate Outcomes data).
- **2019 TEF panel concluded that students from all backgrounds achieve excellent outcomes with us**, noting that student satisfaction with the provision of academic support is exceptionally high

## INVESTMENT IN OUR RESOURCES AND ENVIRONMENT

- Supporting our sustainability committee and **empowering our students with initiatives like our Change The World Fund**
- **14 modern campuses across the UK and in Hong Kong**
- **Access to a world-class learning platform and materials and investment in supporting resources.**

## COMMITMENT TO QUALITY OF TEACHING

- **95%\*** of Undergraduate students agreed that tutors were good at explaining concepts (NSS 2020)
- **85% of FT BPC students agreed our tutors are enthusiastic about teaching (End of Course Survey 2020)**

\*NSS Survey scores relate to our final year undergraduate students studying law
